“We are fully geared to achieve new milestones and destined to touch new heights in excellence...”

Farouk Yousuf Almoayyed

Founder & Honorary Chairman
Almoayyed International Group

In 1979, we established Almoayyed International Group to be among Bahrain's first B2B focused ICT firms. In the past 42 years, we have grown from a small local operation to a GCC wide operation covering Bahrain, the Kingdom of Saudi Arabia, UAE, Qatar and Oman.

The organization has successfully diversified its operations from merely ICT focused services to a complete B2B solutions integrator, among other growing sectors.

Our team of qualified local and foreign experts make up an exceptional service oriented ecosystem with competencies in all major B2B related verticals from distribution and service facilities to key industry

sectors and market segments, from Information Technology, Office Automation, Integrated Engineering Solutions, Safety & Security Solutions, Electrical & Instrumentation Solutions, Ironmongery Solutions, Printing and Marketing, Real Estate, F&B and Industrial Packaging Solutions.

We constantly strive to provide value-added products and services that support the growth and diversification of Bahrain's economy and contribute to the social well-being of the community.

Through this brochure, I invite you to experience the AIG corporate culture and see both our confidence and vision for Bahrain and the future.

ABOUT US

Almoayyed International Group provides proficient services that cover a diverse range of industries including information technology, business automation, integrated engineering, safety and security, door and equipment, solar energy, printing and marketing, electrical and instrumentation, industrial packaging, F&B, and real-estate management.

Holding years of acclaimed experience, Almoayyed International Group has delivered outstanding results over several decades in evolving businesses and helping them thrive on a global scale.

Testimony to our high standards is our ISO 9001: 2015 Certification.

Our proactive outlook towards the future, flexibility to respond to rapidly changing market and technological conditions continue to drive us to be the "pioneer, market leader and benchmark of quality" in every industry that we operate in.

VISION

To be the regional leader by setting benchmarks for superior quality products, innovative services, long term partnerships and customer satisfaction.

MISSION

Our mission is to provide best-in-class innovative solutions that meet client objectives and their business requirements.

With over
42 years of experience,
Almoayyed International Group
has set a monumental benchmark
in providing solutions for
businesses regionally
and globally.

CORPORATE VALUES

CONSTANT INNOVATION

Innovation has been at the core of Almoayyed International Group since its founding. We continually seek new ways to serve clients and provide ground breaking ideas, products, services and business solutions.

UNCOMPROMISING QUALITY

The status of a reliable partner is achieved through determination by constantly offering the best quality services and solutions. We never make any compromises on this aspect.

TRUST & RESPONSIBILITY

Our dedication to client satisfaction strengthens and extends our connections. Beyond the reliability of our services, we value responsibility in all our relationships, always respecting and delivering on our commitments.

COMMITMENT FOR EVERY CLIENT

At the heart of our business lie our clients. Offering top quality solutions, both innovative and efficient, we maximize our clients' performance and work with them to achieve their vision. Their satisfaction continues to remain the single most important measure of our success.

ETHICAL BUSINESS BEHAVIOR

As a company, whose standards rely on integrity, we respect not only the letter, but the spirit of the company professional ethics. By applying principles of honesty and fairness to relationships with partners and customers, we treat everyone whom we do business with as we want to be treated ourselves.

SOCIAL RESPONSIBILITY

At Almoayyed International Group, we strongly believe that corporate success revolves around building a healthy work environment that promotes the highest regards to ethics towards our colleagues, management, and society.

Almoayyed International Group's CSR program titled EMBRACE is the heart of the company's values and outlines a path within the company and its role in the community. EMBRACE, personifies our commitment to giving back to the community, being role models in our society, efforts to take care of the environment and our devotion to strong work ethics and creating a safe and diverse workplace which seeks the well-being of each and every individual in the Kingdom of Bahrain.

Based on these beliefs we are able to derive a program that weaves our long-term corporate goals within our corporate culture, where the change should start from within and used as an example to spread across our society.

The pillars of EMBRACE are highlighted in four main areas, while we ensure that our human capital; our main asset always feels the self-fulfillment derived from being an active part of these pillars. Eventually, we believe that our people are the ambassadors of our values and the best way to spread these values and their benefits to our society.
